Looking for Paid Opportunities in Peer Mentoring in Mathematics?

Are you up for…
• Preparing for and leading weekly small group tutorials?
• Supporting your peers in learning mathematics and reflecting on their goals?
• Building a community of learning assistants across campus?
• Earning $1,000 over the course of Fall semester?

To apply, navigate to https://learningassistantalliance.org and click on the button labeled “Applying to be an LA?” Next, find WSU logo and select it. You will be prompted to create an account. Once in the LA system, you’ll see a list of courses that are accepting applications for LAs. Select the program you wish to apply for and double check your selection to ensure that you are applying to the appropriate campus!
