

Math 49x
Agenda: February 7, 2019

1. Team Updates. Use 4-5 minutes. Briefly describe mathematical and logistical details/expectations.
 - (a) Remind everyone of your task.
 - (b) Where were you at the last update?
 - (c) Where were you going?
 - (d) What happened?
 - (e) Where are you going now?
2. Working Groups
