Exams: There will be three exams in class and each will be worth 25% of your grade. Exam 1 will be at the end of week 2; exam 2 will be at the end of week 4; and exam 3 will be at the end of week 6 (last day of class).

Make-up exams will be given only in rare cases, and only if you’ve made every effort to notify me of the problem as soon as was possible. Otherwise, you may be given a zero for the exam.

Homework: Homework assignments with due dates (and suggested problems) will be posted on the course webpage. There will be five assignments, each worth 5%. Papers should be neat, organized, and stapled. Do not copy (from each other, internet, solution manual, etc). Unstapled or copied assignments will receive no credit. Late homework will not be accepted.
**Academic integrity** is the cornerstone of the university. Any student who attempts to gain an unfair advantage over other students by cheating, will fail the assignment and be reported to the Office Student Standards and Accountability. Cheating is defined in the Standards for Student Conduct WAC 504-26-010 (3). Read more

**Students with Disabilities:** Reasonable accommodations are available for students with a documented disability. If you have a disability and need accommodations to fully participate in this class, please either visit or call the Access Center (Washington Building 217; 509-335-3417) to schedule an appointment with an Access Advisor. All accommodations MUST be approved through the Access Center.

**WSU Safety Measures:** Washington State University is committed to maintaining a safe environment for its faculty, staff, and students. Please visit [http://safetyplan.wsu.edu](http://safetyplan.wsu.edu) and [http://oem.wsu.edu/Emergencies.html](http://oem.wsu.edu/Emergencies.html) to access the Campus Safety Plan and emergency information. You should also become familiar with the WSU Alert Site ([http://alert.wsu.edu](http://alert.wsu.edu)) where information about emergencies and other issues affecting WSU will be found.
